

Bodyguards and Protection Driving

This is an informative 8-Hour Seminar designed to introduce you to the professional career field of executive protection. An opportunity to learn the difference between "bodyguard" work and professional personal protection from the first school to consider Personal Protection as a new professional career and continues to teach worldwide since being founded in 1978.

The truth about personal protection: Myths vs. Facts

Understand the scope of service and jobs duties from PSD to Bodyguards to Executive Protection and more. You will obtain a comprehensive understanding of how a protection specialist integrates with private security, law enforcement, military, secret service, and government entities when managing notable or controversial persons.

EP Behind the Wheel – Protection Driving

Reality dictates that you can drive and provide protection at the same time. EPI brings a new concept of a client based driving experience, addressing the reality of normal vehicle operation where focus is shifted to a concierge level of driving while still giving you a solid foundation of the hard skills found in defensive and evasive driving. This includes discussing etiquette, customer service, tactical communications and route planning.

Topics Include:

- Advance Work
- Preventive Strategies
- Threat Assessment
- Choreography
- Risk Management
- Protective Measures
- Traits Required
- Responsibilities
- Operations
- Countermeasures
- Executive Protection and driving
- Motor Vehicles are multi-tools
- Evasive & Defensive Driving
- Vehicle Maintenance

This is also an excellent overview and refresher for those currently involved in Executive Protection.

Qualifies for ASIS Continuing Education Credits and VA PPS In-Service
