

Defensive Tactics for Executive Protection

October 18, 2019

Protection Response Tactics Refresher Course

Protection Response Tactics (PRT) is an innovative and proven system of proportionate & appropriate response techniques designed for both the novice and skilled protector.

Knowing what to do. Knowing when to do it. When your job is to protect, what you know makes all the difference.

This Defensive Tactics course is designed by Alan Baker in collaboration with EPI to produce a revolutionary system comprised of a variety of striking and grappling arts tailored to fit the bodyguards and Personal Protection Specialist's role and environment.

Train with some of the most experienced, most honorable pros in the business.

This class is a refresher course for previous students of the Protection Response Tactics Program. This session will bring you up to date on the latest improvements and give you new training methods to take your skills to the next level.
