

# The renowned EPI 7-day Training. Go beyond old-school bodyguards. Become a pro in protection.

Train with some of the most experienced, most honorable pros in the business.

## Knowing what to do. Knowing when to do it. When your job is to protect, what you know makes all the difference.

Before 1978, there were simple bodyguards. Then EPI developed executive protection training. We've been perfecting it ever since. With the latest methods, technologies, and best instructors to give you an edge in this ever-changing field.

### Providing Executive Protection

This course is 100 plus hours. 7 days of intensive training. It's taught by more than 15 subject matter experts. Our faculty members are not just field agents but professional adult education specialists. Exceptional subject matter experts contribute in-depth presentations on their specialties. All in one place.

### The first credential-ready training.

Upon successful completion of this course you will become a certified Personal Protection Specialist (PPS). This professional title is recognized worldwide and is very useful in substantiating your training and professional status.

## A lifetime of professional benefits.

Graduates are eligible to become Nine Lives Associates, the most prestigious affiliation in the protection field. Our alumni association is active and always available. Nationwide networking events.

### Tuition of \$3990 includes:

- All course materials and lodging for 6 nights
- VA DCJS Application Processing

**Financing available.** No Payments and no Interest if paid in full in 6 months. Approval in seconds. Other options available.
